**July 2015**

# **Proceedings of the 28<sup>th</sup> Session of the CIE Manchester, United Kingdom, 28 June – 4 July 2015**

**CIE 216:2015**

**ISBN 978-3-902842-55-8**

The Proceedings of the 28<sup>th</sup> Session of the CIE comprise two volumes.

Volume 1, subdivided into two parts, contains on 2124 pages the texts of the invited papers, contributed papers and posters presented at the Session as well as the introductions to the workshops and seminars. This volume is already available at the National Committees of the CIE or via the [CIE Webshop](#).

Volume 2 contains official reports of the administrative and technical meetings of the Session, thus presenting an overview on the technical work in CIE achieved during the Quadrennium. It will be provided by end of 2015. (Purchasers of the publication will be notified as soon as Volume 2 is available.)

The price of this publication is EUR 330,-.

(Members of the National Committees of the CIE get 66,7 % discount.)
